Mi chiquita chinita mi bonita cholita/  
Me estas volviendo loco on account you're so damn pretty  
Agarrandome la pata pegandome en la nuca  
Mi pequena bon bon Caramba such a looker  
Esta para aqui (pause) va para alla  
She here and there crawling all over my heart  
She looks at you you turn to goo  
Por supuesto eres mia chica cara caradura?

Nada dura rica suave linda criatura  
A little less than brown nonetheless my brown sugar  
Eating Mooncake in the land of the Rising Sun  
United Colours of Benetton  
A wee bit mic un pocito spick, to say  
the chink in my armour is way too slick  
Me siento como un rey coz yer beautiful ways  
my personal salvation, an Amazing Grace

Mi pequeña arbolita con un nombre tan rarita/  
So you grow tough on the outside but inside you're such a sweetie/  
You'll have a Bronx exterior but a gooey epicentre  
Me siento tan orgullo I'm yer Papi and your mentor[pyo rian haizu na li na li] Such a cute girlie O my golly  
Me siento como un rey coz yer beautiful ways  
my personal salvation, an Amazing Grace

I can see what your doing to me, how your dealing with me, ever so patiently,  
Twas like Satchmo said when the children grow they'll know much more than we'll  
ever know...

I love the way (that) you shattered my haze (how) you rattled my cage and dispelled  
my rising fury  
(my Amazing Grace and)  
At the world so blind twas me that was blind til you did lead me to see more clearly  
that...  
(Now I can see, what you've done for me and it fills me with ecstasy...)
