DR SCHWAMP'S BRAND NEW CURE ALL TONIC

You got a...
...Ache in your leg
You got no hair on your head
You got fleas from your bed
Feel like the living dead
You got bunions on your feet
You just don't wanna eat
You can't stand the heat
You been sick in the street
Let me...

Show you the cure of every ill known to mankind
Lord strike me down if I should tell a lie
Give it to you guaranteed, look no further
There's no need, if only you good folks pay heed to me
I said to me

Ladies and Gentlemen this man you see standing here suffered terribly from the scurvy. Itching and scratching and itching and scratching all day long. Until he tried...

Got a hare on yer lip
A wig in your ear
Got burns on yer side
Yer fearing death is near

Your kidneys are stoned,
Your gut is full of rot,
Lungs are really blown,
You wanna mend that ruptured heart
Ladies and Gentlemans, boys and girls and all creatures in between
This man standing here before you today has suffered just about all affliction and
ailments known to mankind...

In fact this unfortunate creature was born with a hole in his heart, holes in his head
and a perpetual hole in his wallet

He subsequently at a very early age, contracted gonorrhoea, pyorrhoea, chronic diarrhoea,

and worms (which was not entirely a bad thing given he is an avid fisherman)
But as that Fisher of All Men, Jesus may have raised Lazarus from the dead by
recourse to

the self-same miraculous elixir, I urge each and every one of you, as this man has, to

purchase a bottle of ...
